

COLONIAL SCHOOL DISTRICT ATHLETICS DEPARTMENT

Red Flag Notification Policy

The Colonial School District Athletics and Facilities Management Departments take great pride in maintaining safe athletic fields for the enjoyment of our students and members of our community. In an effort to keep our fields in safe conditions at all times, we have implemented a method of communicating decisions regarding field usage under bad weather conditions. A decision will be made by the Colonial School District to close the fields if weather conditions render the fields unsafe for athletic activity or if, in our opinion, there is a potential for damage to our fields as a result of athletic activity. When a decision is made to close the fields at the Plymouth Whitemarsh High School/Colonial Elementary School campus, red flags will be placed at the Victory Fields sign located in front of the Victory Fields complex, at the storage shed located in the front of the fields on the west side of the football stadium and at the baseball field located adjacent to the natatorium. At the Colonial Middle School campus red flags will be placed on the 3rd base fence line at the front baseball field (Belvoir Road), the backstop of the rear baseball field and on the storage hut adjacent to the football field by Maplewood Drive. If the red flags are in place, the fields are not to be used for any purpose whatsoever until further notice or until the red flags have been removed. For your convenience the Athletics Department will also provide field closing notification by way of email. Every effort will be made to send a notification e-mail by 2:00 p.m. on any day that the fields will be closed. If emails are not sent or not received, the red flags are the determining factor regarding field closures. Failure to abide by the Red Flag Notification Policy may result in permanent loss of field privileges.

By signing below, I acknowledge that I have read and fully understand the policy. I am the authorized representative of _____ and will take full responsibility for notifying all coaches, managers and members of my organization regarding the requirements of the policy. I further understand that failure to abide by the rules and/or terms of the Red Flag Notification Policy could result in loss of field privileges.

The email address that I would like included in the email notification is/are:

1) _____ 2) _____

3) _____ 4) _____

Dates/season required for organization (spring/summer/fall,year): _____

Person responsible for organization: _____

Signature: _____ Date: _____
