

Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

Section: Narratives - Program Description

INTRODUCTION

Under the Elementary and Secondary School Emergency Relief Fund (ESSER Fund), the Pennsylvania Department of Education (PDE) awards grants to local educational agencies (LEAs), to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the state. LEAs must provide equitable services to students and teachers in nonpublic schools as required under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

Please note: ESSER funds, under any part of 18003, **cannot** be used for: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations. CARES Act funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

***ESSER funds are not Title I funds and as such, are not subject to Title I rules.**

Please explain how the LEA will determine its most important educational needs as a result of COVID-19. (3000 characters max)

The Colonial School District (CSD) has deemed the following as its most important educational needs:

*Access to technology for both teachers and students*Cleaning/Protective Equipment*Safety Requirements/Consulting

Please explain the LEA's proposed timeline for providing services and assistance to students and staff in both public and nonpublic schools. (3000 characters max)

CSD would propose to provide necessary technology in preparation for the start of the school year (September 2020). With regards to ensuring adequate cleaning and updating safe social distancing and hygiene practices in accordance with CDC recommendations, that would be dependent upon when schools are permitted to reopen (June 2020-June 2021).

Please explain the extent to which the LEA intends to use ESSER funds to promote remote learning. (3000 characters max)

CSD would intend to purchase Chromebooks for teachers and students to facilitate with remote learning.

Please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services. (3000 characters max)

CSD will be offering multiple summer programs K-5 to address student learning gaps as well as assessing students at the start of the 2020-21 school year and comparing to end of year data. Curriculum will be adjusted to ensure material not delivered is retaught at the start of the school year

Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

and direct instruction as well as one-on-one zoom sessions are provided on an as need basis.

Please describe the LEA(s) proposed procedures for evaluating local COVID-19 impacts in relation to education programming and delivery. (3000 characters max)

Areas of emphasis should include:

- Documenting learning loss associated with extended school closure;
- Outlining the development of local continuity of education plans over the course of emergency response efforts; and
- Detailing supports for vulnerable student populations and families.

CSD has developed ongoing procedures for evaluating local COVID-19 impact in relation to the educational programming and delivery through its Continuity of Education Plan. This plan ensures that teachers, students, & families have the necessary resources to maximize the amount of instructional time for students to master the necessary content & skills to have a successful school year. The plan is based on the following four critical components: Identifying essential content and skills across core curricular and elective/specialist areas; Providing teachers & students access to technology; Delivering online learning; Supporting students' personal, social, and academic needs. The curriculum is aligned to PA standards & remains the framework for teaching & learning in a virtual environment. Committees have identified specific standards & content that will be retaught at the start of the new school year to ensure students are able to continue their learning. These committees review data from various assessments to determine student level of understanding to assist with differentiating instruction. Extended school year programs are also being offered to students. Teachers & students have the necessary resources (iPads, Chromebooks, etc.) to access and actively participate in the learning. Teacher focus groups and PLCs are established, enabling flexible & differentiated learning activities. Strategic school based systems are in place to monitor student participation, progress, and well being. All platforms and resources for students to access the content & learning activities are safe and secure in accordance with the district's best practices & school board policies. Special Education students, to the extent possible, are receiving their individualized programs, specially designed instruction, and related services (speech & language therapy, occupational therapy, physical therapy, hearing and/or vision therapies, social skills, counseling, etc.) - as described in the IEP – through a virtual learning platform. Instruction includes a combination of group direct instruction, individual direct instruction, pre-teaching & re-teaching, recorded skills lessons, consultation, & modifications to regular education curriculum assignments, assessments/timelines. Ongoing progress monitoring occurs to the extent possible. Counseling staff is available to help support students who are absent or who cannot participate. They work with administration to communicate with families about attendance/participation concerns & support students in getting back on track. CARE/Child Study Teams are meeting virtually on a regular basis with standing agendas & minutes maintained to ensure we continue to monitor & support students academically, behaviorally, & emotionally. Health & wellness activities & behavioral health provider resources are posted on our Pupil Services website link. Needs are monitored on an on-going basis & services are adjusted as needed.

Please describe the LEA core set of strategies that will be used to guide local investment of CARES funding, associated with short-range (i.e., remainder of the 2019-20 school year) and long-range (2020-21 and 2021-22 school years) timelines. (3000 characters max)

These strategies may entail the establishment, scale-up, refinement, or evaluation of remote learning, as

Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

well as strategies for school-based teaching and learning responsive to conditions related to the pandemic. LEAs will be asked to outline how limited, one-time CARES funding may support these initiatives and how CARES funding might interact with other federal funding, including enhanced Title IV flexibility, to ensure strategic and sustainable use of one-time funds.

CARES funding will contribute towards ensuring the District will have devices (Chromebook) made available to teachers and students K-12 who have indicated the need for a device to participate in virtual instruction, as well as helping provide families adequate access to internet services that indicate a need. These Chromebooks will need to be purchased to ensure remote learning can take place in the fall (short-range timeline). Once students return to school, these devices will continue to be used to assist with delivering instruction (long-range timeline). CARES funding will also be used to assist the District in purchasing cleaning and protective equipment to ensure a safe environment for the return of students and staff. This is not limited to supplies but also includes necessary consulting from outside agencies in assisting with planning for safe schools and activities that are in compliance with CDC guidelines. Training and professional development will also be required for staff, faculty, students and parents prior to the return of school.

Please describe specific plans, measures, and longer-term evaluative strategies concerning student learning gaps - as well as opportunity to learn factors - stemming from COVID-19. (3000 characters max)

CSD will be offering multiple summer programs K-5 to address student learning gaps as well as assessing students at the start of the 2020-21 school year and comparing to end of year data. K-12 Curriculum will be adjusted to ensure material not delivered during the closure is taught at the start of the school year and direct instruction as well as one-on-one zoom sessions are provided on an as needed basis. Students will be re-assessed at the start of the school year to identify individual student needs. This will allow for flexible grouping to help students on a more personalized level. In addition, the district will be creating a specific digital plan for 2020-21 school year as well as transition plans for the return to school that will be compliant with state guidelines and CDC recommendations. The District will develop and provide Professional Development on digital learning (including instruction, assessment, digital resources) prior to the start of the school year. Additional professional development will need to be provided to staff to address procedures needed to minimize the spread of the virus.

Section: Narratives - ESSER Fund Assurances

ESSER FUND ASSURANCES

LEAs receiving ESSER funds will provide equitable services to students and teachers in nonpublic schools as required under 18005 of Division B of the CARES Act.

Yes

LEAs that receive more than \$150,000 in CARES Act funds will complete quarterly reports, including the following data: (LEAs receiving less than \$150,000 please select 'NO')

- The total amount of funds received, the amount spent or obligated for each project or activity,
- A detailed list of all projects or activities supported with CARES Act funds including:
 - Name
 - Description
 - Estimated number of jobs created or retained (where applicable)
- Detailed information on subcontracts and subgrantees, including FFATA data elements, as prescribed by OMB.

Yes

LEA will, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act. In addition, each entity that accepts funds will continue to pay employees and contractors to the greatest extent practicable based on the unique financial circumstances of the entity. CARES Act funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

Yes

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

Yes

LEA maintains inventory records, purchase orders and receipts for equipment (over \$5,000) purchased and Computing Devices and Special Purpose Equipment (\$300 - \$4,999) and will conduct a physical inventory every two years.

Yes

Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

The LEA will comply with all reporting requirements, including those in Section 15011(b)(2) of Division B of the CARES Act, and submit required quarterly reports to the Secretary at such time and in such manner and containing such information as the Secretary may subsequently require. (See also 2 CFR 200.327-200.329). The Secretary may require additional reporting in the future, which may include: the methodology LEAs will use to provide services or assistance to students and staff in both public and nonpublic schools, the uses of funds by the LEAs or other entities and demonstration of their compliance with Section 18003(d), such as any use of funds addressing the digital divide, including securing access to home-based connectivity and remote-use devices, related issues in supporting remote learning for all students, including disadvantaged populations.

Yes

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

Yes

To the extent applicable, an LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

Section: Non Public Organizations - Nonpublic Equitable Services

NONPUBLIC EQUITABLE SERVICES

An LEA receiving ESSER funds will provide equitable services to students and teachers in nonpublic schools as determined through timely and meaningful consultation with representatives of nonpublic schools.

- Section 18005 of the CARES Act requires school districts that receive Elementary and Secondary School Emergency Relief Funds (ESSERF) provide equitable services in the same manner as provided under Section 1117 of ESEA, which means in the same manner as equitable services are provided in Title I, Part A.
- The equitable services provided to nonpublic school students and teachers should be determined in consultation with nonpublic school representatives. School districts may provide services directly or may contract with a public or private entity after following the appropriate procurement procedures to deliver the services.

CHECK HERE - if your LEA does NOT provide equitable services to nonpublic students and teachers as described in CARES Act Program.

The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a nonpublic school under the ESSER Fund.

Yes

The LEA will maintain control of materials, equipment, and property purchased with ESSER funds.

Yes

The LEA will ensure that services to a nonpublic school with ESSER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Yes

NONPUBLIC EQUITABLE SHARE CALCULATION

The nonpublic equitable share should be calculated and based on the 2019-20 low income students of nonpublic schools that participated in 2019-20 Title I, Part A programming. Additionally, school districts that have low income students participating in nonpublic schools that previously **declined** Title I, Part A services during the 2019-20 school year, must **consult** with these nonpublic schools to determine ESSER participation.

PREVIOUSLY DECLINED NONPUBLIC ORGANIZATIONS

Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

If your LEA is providing services to a Nonpublic Organization that is choosing to participate in the CARES Act ESSER Funds Program, but did NOT participate in the 2019-20 Title IA program, PLEASE CONTACT your Regional Coordinator. Regional Coordinators will provide an adjusted Nonpublic Equitable Share value based on the inclusion of these previously non-participating populations.

*If your LEA does not have nonpublics that previously declined services, proceed to the table located under PREVIOUSLY PARTICIPATING NONPUBLIC ORGANIZATIONS.

CHECK HERE - If your LEA serves a nonpublic organization that DECLINED Title IA services in the 2019 program year, and will be PURSUING services under ESSERF. If checked, please enter the values below.
