The first item on the agenda was the review of district Wellness Initiatives conducted and scheduled during the 2017-2018 year. The Human Resources Department, in collaboration with our Bucks and Montgomery Healthcare Consortium, has sponsored several wellness initiatives and has two (2) more events scheduled this year. The first, conducted in the fall were the *Sleep Well Challenge*, and the Flu Shot Clinic. This winter the department is coordinating the *Post Holiday Shuffle*, and will run what has become an annual event, Biometric Screenings. These events are designed to improving the health of our workforce in the hopes that a positive impact is had on district medical expenses. Questions were asked about costs of these programs, which is funded by the Consortium and the hours that participants can attend, which is staggered to accommodate times for professional and support staff to attend at the end of the work day.

The meeting was adjourned at 5:30 p.m.

Respectfully submitted,

Dr. Leticia M. Rodríguez
