Title: *Financial Aid for Students
Attending Exceptional
Schools*

Adopted: *8-16-67*

Revised:

241 *Financial Aid for Students Attending Exceptional Schools*

It is the policy of the Board that a grant equal to 25% of the cost of tuition but not to exceed \$600.00 be given upon Board approval to only those children attending exceptional schools not approved by the State of Pennsylvania for State approved aid. An example of the schools in question would be Temple University Reading Laboratory, etc.
