437 *Exchange Teacher Program*

It shall be the policy of the Colonial School District to approve participation in foreign exchange teacher programs sponsored by the United States Government. Approvals of such participation will be at the discretion of the Board of Education and teachers interested must request approval by the Board in Advance of their filing an application.

When granted by the Board such approval will be on the condition that teachers involved will return for at least one full year of service in the Colonial School District after participation in the exchange program has been concluded.
