445 *Protection of Property*

In the event damage by vandalism occurs to the automobile of any full-time employee while at school performing official duties, the Board agrees to reimburse the employee under the following conditions:

- 1. It shall be the responsibility of the damaged party to substantiate the claim. Such substantiation shall include the prompt notification of damage to a school administrator.*
- 2. The Board shall reimburse the employee up to the deductible amount provided for under that employee's comprehensive insurance, except that the total liability of the Board for an individual act of vandalism shall not exceed one hundred dollars.*
