808 *Cafeteria Facilities*

Cafeteria facilities shall be made available for noon-day lunches for all students and employees. Balanced, hot meals are to be made available to all pupils under the Federal Lunch Program.

The charge for pupils and employees shall be regulated by the Board.

All salaries for cafeteria personnel shall be subject to the Board's approval and paid from the funds of the cafeteria account.

The Board may, at its discretion, subsidize cafeteria operations.
