909 Cooperation Between School Officials and Police (To apply to Plymouth, Whitemarsh, and Conshohocken Police)

Cooperation with law enforcement agencies is essential for the protection of students, for maintaining a safe environment in the district schools, and for safeguarding all school property.

This cooperation must recognize the functions of the schools, the district=s legal responsibility for pupils during the school day, and must be in harmony with the Constitution of the United States and the laws of the Commonwealth.

The board also recognizes the potential enrichment that law enforcement agencies can make in the educational program.

Efforts should be made to develop a healthy attitude toward law enforcement agencies and personnel to promote better understanding and communication.
