917 – Activities Admissions – Senior Citizens

All residents of the Colonial School District who are 65 years of age or over are eligible for membership in the Gold Card Program. The program entitles seniors to free admission to district-sponsored activities and events including regular-season home athletic events, musicals and theatrical performances, and one class per semester in the Plymouth Whitemarsh High School Adult Evening School. For events that require reserved tickets because of limited seating capacity, Gold Cards may be used to acquire one ticket in advance of the performance date.
