

Promoting a Culture of Collaboration, Innovation and Inspiration

Thank you for your interest in serving as a volunteer. As a result of updated Pennsylvania laws (starting July 1, 2015), all volunteers must complete and submit a **Volunteer Application Form** and obtain the following three clearances:

- **Child Abuse History Clearance**
- **Criminal Background Check**
- **FBI Background Check** NOTE: The FBI Clearance will only be needed if the volunteer has NOT lived in PA continually for the past ten years. If they have been in PA for the past 10 years, continually, they will need to complete an affidavit saying this is true. The affidavit is now part of the application.

A volunteer is an adult serving in an unpaid position in the service of the District. In order to qualify to be a volunteer with the District pursuant to the District's relevant policy and administrative regulations, every volunteer must complete and submit this form to the District every sixty (60) months, as well as meet the requirements set forth in the District's policy and regulations as well as Pennsylvania law.

Eligibility Requirements

In order to be eligible to be a volunteer in the District, you must meet the following requirements:

1. Have never been a perpetrator of a founded or indicated report of child abuse;
2. Have never been convicted of any of the enumerated offenses listed on page 2; and,
3. Have never been convicted of a felony drug offense.

A volunteer or volunteer coach/sponsor is an individual who either provides recurring assistance in support of a curricular or extra-curricular activity under the general direction and supervision of a staff member, coach or student activity sponsor employed by the district and directly supervises or instructs students engaged in the activity and who may, from time to time, have or may reasonably be expected to have unsupervised contact with students. Examples of volunteers or volunteer coach/sponsor include, but are not limited to homeroom parents/guardians, classroom chaperones, individuals who help manage, officiate or perform functions ancillary to an athletic event or extracurricular activity, such as general PTO functions, book fairs, concert/performance ushers etc., tutors, field trip chaperones, counselors or providers of health-related services to students, etc., college student observers, booster club members, library helpers, volunteer coaches of an athletic team; equipment managers; choreographers; musicians and others who provide instruction to students in the marching band or school-related performances, etc.

If you are interested in being a volunteer or volunteer coach/sponsor as defined above, you must also obtain clearances through the Pennsylvania Department of Human Services (for PA Child Abuse History), the Pennsylvania State Police (Criminal Background Check), and possibly, the FBI.

Volunteers or volunteer coach/sponsors who do not already have the above mentioned clearances must obtain them prior to becoming a volunteer or volunteer coach/sponsor. Because the requirement of clearances is new to the Colonial School District, all volunteers or volunteer coach/sponsors must submit clearances that are dated within 12 months prior to the date they wish to begin volunteering. Volunteers and volunteer coach/sponsors have an ongoing obligation to renew their clearances every sixty (60) months.

_____ (Name of Volunteer – Please Print)

I am the person identified above. It is my desire to perform volunteer services for the Colonial School District. In that capacity, I will perform various non-teaching duties as assigned but understand that in no case will I be paid for performing such tasks.

In the course of my volunteer duties for the District, I and the District believe I will have or may have “direct contact with children,” meaning that as part of my volunteer duties I will have some level of care, supervision, guidance or control of children or routine interaction with children.

Because of that direct contact with children, pursuant to the Child Protective Services Law, I have submitted with this form a criminal background report from the Pennsylvania State Police and a Child Abuse History report from the Statewide Child Abuse database. Additionally, I have either submitted an FBI criminal record report, or marked below to swear and affirm that I have continuously resided in the Commonwealth of Pennsylvania for the last ten years.

I swear or affirm that I have resided in the Commonwealth of Pennsylvania continuously for the ten years immediately preceding this application/affidavit.

Even if not reflected on the attached reports, I also swear or affirm that:

- Within the last five (5) years, I have NEITHER been listed in the Statewide abuse database as a perpetrator of a founded case of abuse NOR committed a felony under the Pennsylvania Drug Device and Cosmetic Act (or a similar act under the laws of another jurisdiction) for which I was later convicted.
- I have never been convicted of any of the Pennsylvania offenses or similar offenses from any other jurisdiction that are listed on the reverse of this form. (Please see the list of offenses on the reverse).

Volunteer Acknowledgement of Policy No. 916/Volunteers and Policy No. 806/ Child/Student Abuse
 By checking this box I acknowledge that I have read, understand, and agree to comply with these policies

All the above statements are true to the best of my recollection and belief and I make this statement with the understanding that any false statements may be criminally prosecuted pursuant to 18 Pa.C.S. §4904.
