

January 15, 2021

Plymouth Whitemarsh High School Families:

Unbelievably, the end of the first semester is quickly approaching! We would like to take the opportunity to thank you for your support and involvement during the first semester of hybrid/virtual learning. As we conclude the first semester and approach the start of the second semester, we are including below key dates for your planning. Please take the time to review the calendar since there is one schedule change in terms of the start of semester two. This information will be shared with all students via Canvas early next week.

- ❖ **Final Exams:** Here is the [Semester One Final Examination schedule](#) for your review (Wednesday, January 20-22). For each exam, Cohort A and B students are able to complete the exam in person or virtually during the designated times. Teachers will be surveying which students will attend in person in order to maintain social distancing guidelines. This schedule is also posted on each "Class of" Canvas page as well as our website.
- ❖ **End of the Semester/Start of Semester Two:** The final day of semester one will be on Monday, January 25th (which is a change to the schedule). All students will follow the hybrid abbreviated schedule (7:35 AM – 11:45 AM) with Cohort A students as in person learners. *The first day of Semester two will now be Tuesday, January 26th. Your child will be able to access teacher Zoom links through his/her Canvas page. A reminder will be sent closer to this date.
- ❖ **PSAT's:** Plymouth Whitemarsh is hosting the PSAT's for select PW students on Tuesday, January 26th in the morning. We will follow a special schedule on this day with all students participating in virtual learning and following his/her semester 2 courses from 11:50 AM - 2:45 PM.

*We understand this is quite a busy window of time for our students and staff so use this [JANUARY CALENDAR](#) as a guide. This will be posted on Canvas and our website for students and families.

Thank you for your support and do not hesitate to reach out to us should you have any questions or need support. We are looking forward to a rewarding and safe second semester!

Sincerely,

Dr. Jason Bacani
Principal, Plymouth Whitemarsh High School
