	Chemistry	>	Physics
	Chem-Comm.	>	Astronomy <u>or</u> Environmental <u>or</u> Marine Sci
	Astronomy	>	Environmental <u>or</u> Astronomy 2 <u>or</u> Marine Sci

OTHER THINGS TO CONSIDER

- Teachers will have had conversations with you by this point regarding their recommendations for your future course selection
- Review the Course Catalog on the Counseling page of the PW website
- It is your responsibility to review the graduation requirements and be sure you will fulfill them
- Consider your Career Pathway when selecting your courses as they should reflect your future goals
- Consider special programs like Dual Enrollment, Online Options and Internship
- AP classes are year-long. The Add/Drop period is ONLY the first 3 days of Semester 1; No AP drops or changes permitted during Semester 2
- Your senior schedule should be as rigorous as your previous schedules

You will be meeting with your counselor to review your selections and your graduation requirements between March 14 and April 5, 2019.
